

**Tentative Schedule for Course 1.3:
Hydrogeology I – Well Drilling Methods**

Day 1 – Sunday xxx September

Time	Activity	Presenter
09:00 – 09:30	Introduction to course Introduction of participants	Professor Eqrar
09:30 – 10:30	Presentation: Introduction to Well Drilling Methods Part I	de Jong/ Eqrar
10:30 – 11:00	Break	
11:00 – 12:30	Presentation: Introduction to Well Drilling Methods Part II	de Jong/ Eqrar
12:30 – 14:00	Lunch	
14:00 – 15:30	Practical: Preparing for a Drilling Project	

Day 2 – Monday xxx September 2013

Time	Activity	Presenter
09:00 – 12:30	Practical: MEW Laboratory in Wapeca Building, Airport road. Topics: Sieve analysis, core logging.	Eng. Assadullah (MEW)
12:30 – 14:00	Lunch	
14:00 – 15:30	Practical: MEW Drilling Center, Pule Charkhi, Jalalabad Road. Topics: Drilling Rig maintenance, spare part management, Health and Safety.	

Day 3 – Tuesday xxx September 2013

Time	Activity	Presenter
09:00 – 15:30	Field day: Well Drilling at a location in/near Kabul Breaks & Lunch as per field progress	Eng. Assadullah (MEW)

Day 4 – Wednesday xxx September 2013

Time	Activity	Presenter
09:00 – 10:30	Practical: MEW Laboratory in Wapeca Building, Airport road. Topics: Design of Wellhead	Eng. Assadullah (MEW)
12:30 – 14:00	Lunch	
14:00 – 15:30	Final Course Workshop & Presentation of Certificates
