

**Tentative Schedule for Course 1.4:
Hydrogeology I – Water Well Design**

Day 1 – Sunday 15 December 2013

Time	Activity	Presenter
09:00 – 09:30	Introduction to course Introduction of participants	Abrar de Jong
09:30 – 10:30	Presentation: Introduction to Water Well design	de Jong
10:30 – 11:00	Break	
11:00 – 12:30	Presentation: Introduction to Water Well design	de Jong
12:30 – 14:00	Lunch	
14:00 – 15:30	Practical: Well design: Water quality, Casing & screen materials.	

Day 2 – Monday 16 December 2013

Time	Activity	Presenter
09:00 – 10:30	Presentation: Introduction to Water Well design	de Jong/ Eqrar
10:30 – 11:00	Break	
11:00 – 12:30	Presentation: Introduction to Water Well design	
12:30 – 14:00	Lunch	
14:00 – 15:30	Practical: Well design. Screen slot sizes determination. Design of gravel pack.	

Day 3 – Tuesday 17 December 2013

Time	Activity	Presenter
09:00 – 10:30	Practical: Well design using Afghan Data	de Jong/ Eqrar
10:30 – 11:00	Break	
11:00 – 12:30	Practical: Well design using Afghan Data	
12:30 – 14:00	Lunch	
14:00 – 15:30	Practical: Well design using Afghan Data	

Day 4 – Wednesday 18 December 2013

Time	Activity	Presenter
09:00 – 10:30	Practical: Well design using Afghan Data	de Jong/ Eqrar
10:30 – 11:00	Break	
11:00 – 12:30	Practical: Well design using Afghan Data	
12:30 – 14:00	Lunch	
14:00 – 15:00	Practical: Well design using Afghan Data Presentation of Certificates	Abrar
